

OASIS

One Acquisition Solution for Integrated Services

KBR has a long history of helping customers achieve their mission, goals, and objectives. As a leading pre-qualified prime contractor of the OASIS contract vehicle, we bring a wealth of contracting experience and expertise to match your requirement needs. KBR's solutions deliver innovative technologies, proven methodologies and highly experienced professionals.

KBR Scalable Capabilities

From facilities management at an Ebola treatment center in Sierra Leone to disaster recovery and infrastructure reconstruction at Tyndall Air Force Base in Florida after Hurricane Michael, our teams are prepared to meet the urgent demands and challenges associated with critical response requirements. Our robust supply chain, proven processes, prearranged relationships and experienced leaders ensure operational success with exceptional service.
