AUDIT COMMITTEE CHARTER
OF
KBR, INC.
(as of October 18, 2023)

Article I. Purpose

The Audit Committee (the “Committee”) is a committee of the Board of Directors (the “Board”) of KBR, Inc. (the “Corporation”). Its purpose is to assist the Board in overseeing matters related to (1) the accounting and financial reporting process and integrity of the financial statements of the Corporation, (2) the compliance by the Corporation with legal, regulatory and stock exchange requirements, (3) the audits of the Corporation’s financial statements and the independence, qualifications and performance of the Corporation’s independent auditors and (4) the performance of the Corporation’s internal audit function, internal accounting controls, disclosure controls and procedures, and internal control over financial reporting.

The Committee is also charged with making regular reports to the Board and delivering any reports that may from time to time be required by the rules of the New York Stock Exchange (“NYSE”) or the Securities and Exchange Commission (the “SEC”) to be included in the Corporation’s annual proxy statement or annual report on Form 10-K.

Pursuant to the Sarbanes-Oxley Act of 2002 and the rules and regulations of the SEC, the Committee shall be directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation (any such firm is referred to in this Charter as the Corporation’s independent auditors).

The Committee shall have and may exercise all the powers of the Board, except as may be prohibited by law, with respect to all matters encompassed by this Charter, and shall have all the power and authority required under the Sarbanes-Oxley Act of 2002.

The Committee’s function is one of oversight only and does not relieve management of its responsibilities to (1) make and keep books, records, and accounts, which, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Corporation, (2) devise and maintain an effective system of internal accounting controls, (3) devise and maintain effective disclosure controls and procedures and internal controls over financial reporting, and (4) prepare financial statements that are accurate and complete and fairly present the financial condition, results of operations, and cash flows of the Corporation, and further does not relieve the independent auditors of their responsibilities regarding the audit or review of financial statements.

Article II. Membership

The Committee shall consist of at least the minimum number of directors required pursuant to applicable SEC rules and regulations and stock exchange rules. Committee members shall (i) first be nominated by the Nominating and Corporate Governance Committee of the Board, and (ii) then be elected by the full Board, with interested members of the Board recusing themselves as
appropriate, and shall serve until the expiration of such member’s term or until such member’s
earlier resignation, retirement or removal. Committee members may be replaced or removed at
any time, with or without cause, and vacancies may be filled, by majority vote of the Board.

Prior to their election and annually thereafter, each member of the Committee shall have
been affirmatively determined by the Board to meet the applicable independence requirements of
the Corporation’s corporate governance guidelines and the applicable independence, expertise,
experience and financial literacy requirements of the NYSE, Section 10A(m)(3) of the Securities
Exchange Act of 1934, as amended (the “Exchange Act”) and the rules and regulations of the SEC.
At least one member of the Committee shall be a person who the Board determines is an “audit
committee financial expert” as defined by Item 407(d)(5) of Regulation S-K promulgated by the
SEC.

Article III. Meetings

The Committee will formally meet as often as it determines to be necessary or appropriate,
but no fewer than four times annually. The Committee may ask members of management or others
to attend meetings or to provide relevant information, and the Committee will make itself available
to the independent auditors and the internal auditors of the Corporation, as requested. The
Committee shall periodically meet in separate executive session with each of (i) management
(including the chief financial officer and General Counsel), (ii) the independent auditors and (iii)
the senior internal auditing executive and have other such direct and independent interaction with
such persons from time to time as the members of the Committee deem appropriate, and the Board
shall ensure that sufficient opportunities for such meetings and interactions exist.

The Board shall elect a Chairperson of the Committee who will chair all regular sessions
of the Committee and set the meeting times and agendas for Committee meetings. This
Chairperson shall serve until the expiration of his or her term or until his or her earlier resignation,
retirement or removal. If the Chairperson is absent from a particular meeting, another member of
the Committee designated by the Chairperson shall serve as chairperson for purposes of that
meeting.

Members representing 50% or more of the members of the Committee shall constitute a
quorum. A majority of the members present at any meeting at which a quorum is present may act
on behalf of the Committee. The Committee may meet by telephone, videoconference or similar
means of remote communication and may take action by unanimous written consent to the fullest
extent permitted by the General Corporation Law of the State of Delaware.

The Corporate Secretary, or any Assistant Secretary of the Corporation, shall be the
Secretary of the Committee unless the Committee designates otherwise. The Secretary of the
Committee will keep minutes of all of the Committee’s proceedings. Committee members will be
furnished with copies of the minutes of each meeting and any action taken by unanimous written
consent.

Reports of meetings and actions taken by the Committee and meeting minutes shall be
made to the Board at its next regularly scheduled meeting following the Committee meeting,
accompanied by any recommendations to the Board approved by the Committee.
Article IV.  Authority

The Committee shall have the resources and authority necessary to discharge its duties and responsibilities, including the authority to engage, determine the fees and terms of engagement for, obtain advice and assistance from and terminate outside legal counsel and any other advisors, as it deems appropriate in its sole discretion and without seeking approval of the Board, including independent auditors. Any communications between the Committee and legal counsel in the course of obtaining legal advice will be considered privileged communications of the Corporation. The Committee will take all necessary steps to preserve the privileged nature of those communications. The Committee may request any officer or employee of the Corporation or the Corporation’s outside legal counsel or other advisors to attend a meeting of the Committee or to meet with any members of, or advisors to, the Committee.

The Corporation shall provide for appropriate funding, as determined by the Committee, for payment of any compensation and related fees owed to any such outside counsel and other advisors, including to the independent auditors for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation, compensation to any advisors employed by the Committee, and ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

The independent auditors of the Corporation are ultimately accountable to the Committee and the Board, as opposed to management of the Corporation. The Committee shall be directly responsible for the compensation and oversight of the work of the independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Corporation. The independent auditors shall report directly to the Committee.

The Committee shall preapprove all audit, review or attest engagements and permissible non-audit services, including the fees and terms thereof, to be performed by the independent auditors, subject to, and in compliance with, the de minimis exception for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act and the applicable rules and regulations of the SEC.

The Committee may form and delegate authority to subcommittees consisting of one or more members to the extent it deems appropriate, including the authority to grant preapprovals of audit and permissible non-audit services. The Committee also may delegate such preapproval authority to any of its members. Any decisions of such subcommittees or members to grant preapprovals shall be reported to the full Committee at its next scheduled meeting. The Committee shall have full, unrestricted access to the Corporation’s records.

  o Other material written communications between the independent auditors and management, such as any management letter provided by the independent auditors and management’s response to that letter, any management representation letter, any reports on observations and recommendations on internal controls, any schedule of unadjusted audit differences and a listing of adjustments and reclassifications not recorded, if any, and any engagement or independence letters;

• Evaluate the independent auditors’ qualifications, performance and independence, including considering whether the independent auditors’ quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the independent auditors’ independence. In making this evaluation, the Committee shall take into account the opinions of management and internal auditors. The Committee shall present its conclusions with respect to the independent auditors to the full Board;

• Confirm the regular rotation of the audit partners as required by law. Consider whether there should be regular rotation of the independent auditing firm;
